11. Danfoss Inc. shall defend any suit or proceeding brought against the Buyer as far as the same is based on a claim that any article of Danfoss' design furnished hereunder or any part thereof, constitutes an infringement of any United States patent, if notified promptly in writing and given authority, information, and assistance (at Danfoss' expense) for the defense of the same and if such alleged infringement is not the result of the design or other special requirements specified by the Buyer or the result of the application or use to which such article is put by the Buyer or others. Danfoss Inc. will pay all damages and costs awarded to such suit or proceedings against the Buyer. In case such article or part is in such suit held to infringe any such patent and the use thereof is enjoined. Danfoss shall, at its expense either, at its option, (a) obtain for the Buyer the right to continue using such article or part, or (b) replace same with non-infringing articles, or (c) modify the same so that it becomes non-infringing, or (d) remove said article and refund the purchase price and the transportation and installation costs thereof. The foregoing states the entire liability of Danfoss Inc. to the Buyer for patent infringement.
12. Any order to contract may be canceled by the Buyer prior to shipment only, if the product can be returned to Danfoss' supplier for full credit, and the Buyer shall be responsible for all expenses incurred by Danfoss Inc. including freight. To the extent that goods covered by this agreement are manufactured by Danfoss, the Buyer will be responsible for payment of reasonable charges based upon expenses already incurred, commitments made by Danfoss Inc., and normal profit margins.
13. Any dispute of difference arising between the parties hereto as to the construction of this contract, or as to any matter arising out of or under this contract shall be resolved according to the laws of the State of Wisconsin.
14. Danfoss Inc. reserves the right to decide whether any dispute or difference arising out of or under this contract shall be referred to arbitration, or shall be resolved by legal action. If Danfoss Inc. decides that the dispute or difference shall be referred to arbitration, the parties agree to submit to the award to be made by an arbitration court appointed in accordance with the Rules of Conciliation and Arbitration of the International Chamber of Commerce.
