

How to Use In-Progress Learning Activities

In-Progress Learning Activities is a portlet on the home dashboard. This portlet shows you all in-progress learning activities. Through this portlet, you get an overview of the courses you registered for, can drop a registration to a course and also launch eLessons directly.

What to do...

How to do...

<p>When you register for a course, you can see it in the In-Progress Learning Activities portlet</p>	
<p>In-Progress Learning Activities</p> <ol style="list-style-type: none"> List of the courses you registered for Change the order of courses appearing Click on the link to see more details on the courses <p>This is how the detail shows</p>
